Students enrolling with Business Institute of Australia have the choice of study location in either Sydney or Brisbane.

Sydney and Brisbane are both world-class cities with a sunny climate and vibrant mood attracting students and visitors from all around the world.

## ESTIMATED COST OF LIVING

Living expenses can include accommodation, transportation, food, clothes, books and entertainment. You will need approximately AUD \$20,000 to cover the whole year of study (excluding tuition fees). Rents are fairly high but this depends on whether you choose to share with friends and which suburb you choose to live in. Transport is easy to access as all trains, buses, ferries and light rail leads to the CBD.

You should have at least AUD \$2,000 when you first arrive to cover your initial expenses. These figures do not include large household items such as a refrigerator or a car. For more information, visit [www.studyinaustralia.gov.au](http://www.studyinaustralia.gov.au)

## FIND WORK **WHILE YOU STUDY**

International students are allowed to work for 40 hours per fortnight whilst studying full-time. There are numerous casual and part-time jobs available for students in cafes, restaurants, or retail businesses. Working offers you the right to minimum wage as well as superannuation. For more information, visit [www.fairwork.gov.au](http://www.fairwork.gov.au).

## OVERSEAS STUDENT **HEALTH COVER (OSHC)**

The Australian government requires that all international students have Overseas Student Health Cover (OSHC). OSHC offers you access to a world-class health care system. This is great for the quality of treatment for anyone injured or sick in Australia; however, it can become quite costly. Having OSHC can assist in mitigating these costs.
